Don't have any barcode scanner? Right click on your screen > Inspect > Console and type the following command:

```
odoo.__WOWL_DEBUG__.root.env.services.barcode.bus.trigger("barcode_scanned", {barcode:"setyourbarcodehere"})
```

and replace "setyourbarcodehere" by the barcode you would like to scan OR use our mobile app.

For GS1 barcodes, remove all "("s and ")"s

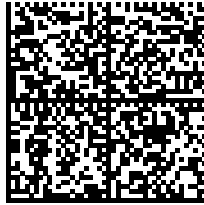

## Put in Pack (activate Packages)
